User Guide

The Fidelity.com/portfolio Advantage

Now you can easily monitor all your Fidelity Investments accounts, including those your advisor manages, from your desktop, tablet, or smartphone. Fidelity.com/portfolio is designed to provide you with the information and resources you need, virtually 24 hours a day, to help you work more effectively with your advisor toward your financial goals.

Stay connected with the Fidelity Mobile® app.

 Go to [Fidelity.com/mobile](https://www.fidelity.com/mobile)

Fidelity lets you manage your accounts securely — anytime, anywhere.

Monitor your accounts online

View your balances, holdings, and transactions on all your Fidelity Investments accounts, including those you manage with your advisor. Click **Accounts & Trade**, then go to **Portfolio** to get started.

Customize your portfolio summary

Make it easier to identify each of your accounts by assigning it a nickname, organizing accounts into groups, or creating custom groups. Click **Accounts & Trade**, then go to **Portfolio** and choose the **Customize** button to get started.

Research your investments

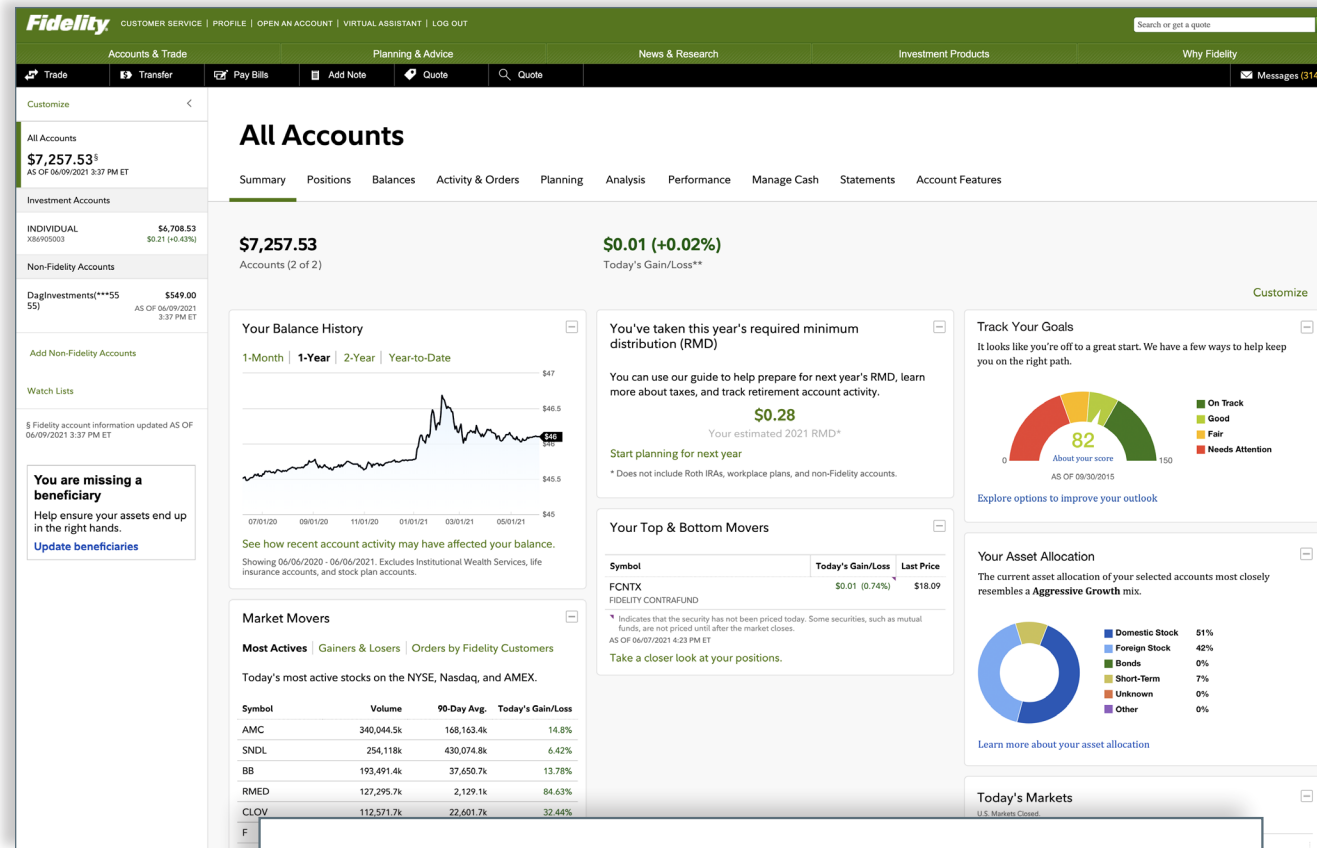

Search, analyze, and monitor investments online to stay informed and updated when discussing your portfolio with your advisor. Access a large reservoir of free, independent stock research from firms such as Morningstar and Standard & Poor's®. Click **Research** to get started.

Get tax forms and reports

View your tax forms, reports, and confirmations online, and monitor your year-to-date tax situation. Import tax information into certain tax software. Click **Accounts & Trade**, then go to **Statements**.

Have access wherever you are

You can manage your portfolio anywhere. Fidelity's mobile services and apps let you access your accounts whenever—and wherever—you want. Convenient features include Mobile Check Deposit, a free service that allows for the transmission of an electronic image of a check to Fidelity (using the camera in a mobile device), for deposit into an eligible Fidelity account.
